

Roger

A note of thanks in your efforts to help me establish  
[CompletelyClassicalVinyl.com](http://CompletelyClassicalVinyl.com)

I feel confident that the site you created for me is by far the best site on the web for the sale of classical music. Your contributions into establishing and marketing the site were very much appreciated and have been put into practice on the site. I look forward to working with you in expanding the venture to other areas of music and retail.

Again a big thank you.

Yours sincerely
